**SNOW VOLLEYBALL FESTIVAL COMING TO
LAUSANNE WINTER YOUTH OLYMPICS 2020!!!**

In a mission to make Volleyball accessible and enjoyable all year round, FIVB has introduced Snow Volleyball, initiating the first ever Snow Volleyball World Tour in 2018. In the upcoming festival, there will be opportunities for children and families to try out Snow Volleyball using a specialised snow court, along with the chance to be taught by prominent Volleyball figures including Beach Volleyball Olympic Champion Julius Brink!

Let's look forward to the potential inclusion of Snow Volleyball in future Winter Olympics, where Volleyball can distinguish itself as a all-season game!
